

The Vision Series introduces a refreshing approach to kit home design by including features normally found in master built homes.

Spaciousness is obvious from the moment you step through the front door, and with the modifications recently made to this home it will suit most families.

Upgrades at no extra cost include

- Larger double garage
- Very spacious WIR to Bed 1
- Larger ensuite
- Increased laundry size
- An open office/ study area
- Removal of the old games room to open up the living area.
- Generous 3 panel Sliding door to the patio area.
